Zell am See - Austria

Austrian Icehockey Classic

Zeller Oldies est. 1980

The event

The traditional tournament of the Zeller Oldies is a sporting and social highlight, which takes place every 2 years for the 19th time. The social aspect is the most important component of the tournament, in addition to the sporting confrontation. Thousands of ice hockey fans have enjoyed their stay in the middle of Europe since 1988.

Date

The tournament will be played with **arrival Monday, September 27 to departure Sunday, October 3, 2027**. The tournament starts on Tuesday and ends with the award ceremony as part of the Hockey Night on Saturday. Plan your arrival and stay so that you can already be in Zell am See for the first games. Each team must be able to play a game on the first day!

By popular demand and the necessary departure times, the tournament ends on Saturday with the **HOCKEY NIGHT** in Kaprun Castle. As part of this event, the award ceremony with the presentation of the trophies and medals will take place at 9:00 p.m. and then the exclusive castle party with **open end**. Various live bands will again accompany us musically on this evening.

The **official castle evening** at the historic Kaprun Castle is an essential part of the tournament with a high organizational and financial effort and is therefore mandatory for all participants. Accordingly, the costs for the exclusive castle rental, several live bands, folklore performance, 2 drinks and transfers per player are already included in the entry fee. Since the minimum number of players per team is to be 11 people, this is also the basis of the billing, regardless of the actual number of people at the award ceremony.

If the team consists of more than 11 players, the necessary additional tickets for the tournament evening can be purchased at a price of € 55.0.

For non-ice hockey players, admission to the **Hockey Night is € 55** per person.

All participants have the opportunity to consume their dinner before the bus shuttle transfer to Kaprun Castle starts at 20:00. You will receive the admission wristbands and 2 drink vouchers for the castle at the beginning of the tournament. Late entries are possible at the tournament office.

Tournament Mode

The tournament is played in 4 age groups:

in Group 1: Age 40 and over

in Group 2: Age 50 and over

in Group 3: Age 60 and above

in Group 4: Age 70 and over

in Group 5: Age 75 and over

For Info!

Several teams have asked if it would be possible to include a 75+ team in our tournament, it would be the first time in Europe. We will now try to find 5 teams for the age group 75+ for our tournament. If, contrary to expectations, too few teams register, we will merge 70+ and 75+ into one age group as before.

"Under-age" players are allowed according to the following requirements:

in group 1: 3 players between 37 - 40

in group 2: 3 players between 47 - 50

in group 3: 3 players between 57 - 60

in group 4: 3 players between 67 - 70

in group 5: 3 players between 72 - 75

The goalkeeper is included in the number of under-age players.

No change of sides after the break!
